# Waremeth Buala (วเรเมธ บัวลา - เหมา)

## Undergraduate ICT Student (1st Year) | High Vocational Graduate (GPA 3.56)

Email: maorh66y6@gmail.com | Tel: 063-240-6675 | Bangkok, Thailand | Sripatum University

## PROFESSIONAL SUMMARY

Enthusiastic 1st Year ICT undergraduate at Sripatum University with a solid practical foundation from graduating High Vocational Certificate (ปวส.) with a 3.56 GPA. Passionate about computer networking, IT support, and systems administration. Known for strong work ethic, hands-on troubleshooting mindset, and eagerness to learn new technologies. Currently seeking opportunities to learn, gain practical experience, and prepare for future network engineering roles.

## EDUCATION

**Bachelor of Science in Information and Communication Technology (ICT) - 1st Year**

Sripatum University (SPU), Bangkok, Thailand | 2026 - Present

- Faculty of Information Technology, Major in Information and Communication Technology (ICT)
- Currently undertaking foundational coursework in Data Communications, Computer Architecture, and Programming.

**High Vocational Certificate (ปวส.) in Information Technology / Computer Systems**

GPA: 3.56 (Outstanding Academic Achievement) | Completed 2025

- Coursework: Local Area Networking (LAN), Computer Hardware, Operating Systems, Technical Diagnostics & Structured Cabling.

## TECHNICAL SKILLS & KNOWLEDGE BASE

| | |
|---|---|
| Computer Networking: | LAN/WAN Fundamentals, TCP/IP, OSI Model, Subnetting, IPv4/IPv6, Basic Routing & Switching, VLANs |
| Lab & Simulation Tools: | Cisco Packet Tracer, VirtualBox, Basic VMware Workstation |
| Hardware & Systems: | PC Hardware Assembly & Diagnostics, Windows Client/Server, Basic Linux (Ubuntu/Debian), Structured Cabling (RJ45/Cat6) |
| Network Security (Basics): | Firewall Concepts, Access Control Lists (ACLs), Basic NAT, Network Hardening Principles |
| Personal Attributes: | Eager to Learn, High Discipline (GPA 3.56), Team Player, Practical Problem-Solving |

## PROJECTS & HANDS-ON LEARNING STATUS

**Status: Currently In Progress (ยังไม่มีโปรเจกต์ในปัจจุบัน)**

- Currently in the initial academic phase of 1st Year ICT at Sripatum University.
- Active hands-on learning roadmap in Cisco Packet Tracer network simulation, Linux administration, and home lab setup.
- Practical projects and coursework portfolios will be updated progressively throughout the academic term.
